*Proceedings of the Madras Government, Financial Department,
for the month of February 1860.*

No. 22. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India; to His Excellency the Honorable the Governor in Council, Fort Saint George, dated London, 12th January 1860, No. 1.

The subject of Civil salaries and establishments throughout India being now under the consideration of Her Majesty's Government, with the view of effecting all practicable reductions, the contingent expenditure of the Governor General of India, of the Governors of Madras and Bombay, and of the Lieutenant Governors, has attracted my attention.

2. In order to enable Her Majesty's Government to judge of the proper amount of expenditure to be incurred for these purposes, I desire that a statement may be prepared and forwarded to this country, with as little delay as possible; showing, in detail, the charges annually incurred for establishments of the Government houses (at your Presidency) and all expenses appertaining thereto, and also statements exhibiting all contingent charges defrayed by the public under different heads of expenditure.

3. In forwarding these statements, it is the desire of Her Majesty's Government that you submit your opinion as to what annual amount should, in future, be allowed to meet the expenditure essentially required for public purposes.

No. 23. ORDER THEREON, 16th February 1860, No. 70.

Ordered that the foregoing Despatch be furnished to the Civil Auditor who will prepare and forward, with the least possible delay, the statements called for in paragraph 2, for transmission to the Secretary of State for India.

(Signed) T. PYCROFT,
Chief Secretary.
