*Proceedings of the Madras Government, Financial Department,
27th February 1861.*

No. 73. Read the following Extract from the Proceedings of the Government of India in the Financial Department, dated 1st February 1861, No. 1,420.

Read a Note from the Secretary in this Department, dated 29th ultimo, relative to the operation of Section 25 of the Covenanted Civil Service Absentee Rules, dated 8th June 1855, and the preparation of the Annual Returns required under Financial orders of the 25th August 1854.

RESOLUTION.—The President in Council being satisfied with the working of Section XXV. of the new Covenanted Civil Service Absentee Rules, is of opinion that it is no longer necessary to require the further submission of the Annual Returns from the different Presidencies and Governments, showing how the rule for the allotment of deputation allowances is carried out, nor does he think it necessary to continue the preparation of these Returns for transmission to the Home authorities. His Honor in Council accordingly directs that the Returns be at once discontinued, and that the several Civil Auditors be requested to inform this Department of the reduction that they can effect in that portion of their establishments which is engaged in the preparation of the documents.

To the Governments of Bengal, Madras, Bombay, North Western Provinces, and the Punjab, for information.

To the Civil Auditors at Fort William, Madras, Bombay, North Western Provinces, and the Punjab, for information and guidance, with a request to communicate the information as early as possible.
