*Proceedings of the Madras Government, Financial Department,
26th March 1861.*

No. 57. Read the following letter from J. D. SIM, Esq., Secretary to the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department, dated 6th March 1861, No. 1,266.

In Cons. 6th March 1861, No. 1,404. 1. I am directed by the Board of Revenue to return the Budget Statements received with your Official Memorandum, dated 4th instant, No. 74.

2. From the Statements being prepared for the Official year, and in a peculiar form, the Board's remarks can only be general, and have reference only to some of the items.

3. They observe that the Land Revenue for 1860-61 is set down in page 2 as Rupees 406 lacs; they fear, however, that, from the adverse character of the season, 390 lacs are the utmost that can be expected.

4. The Board doubt whether so much as $12\frac{1}{2}$ lacs will be collected this year under the head of Income tax.

5. The Mohturfa or duty on Arts and Trades amounts to about 11 lacs per annum. The Accountant General calculates on $9\frac{1}{2}$ in 1860-61, and $7\frac{1}{2}$ in 1861-2. This decrease, the Board presume, is anticipated in consequence of the exemption from Mohturfa which payers of Income tax will enjoy; so that it is in reality a mere transfer.

6. The Board see no reason to anticipate a decrease in Salt sales in 1861-2; on the contrary they expect an increase.
