Proceedings of the Madras Government, Financial Department,

20th April 1861.

No. 40. Read the following letter from THOMAS WHITEHOUSE, Esq., M. A., Secretary M. M. O Asylum, to the Chief Secretary to Government, Fort Saint George, dated 11th April 1861.

I am directed by the Board of Governors of the Military Male Orphan Asylum, in accordance with a resolution passed at a recent Meeting, to request the remission of the sum claimed in consequence of the recent transfer of their stock.

The sum has not been paid as yet from the simple fact that the Governors have not had it in their power to do so. During the last 12 months, in consequence of various changes in the Institution, by way of preparing for still greater changes in its contemplated removal to the Neilgherry Hills, the funds of the Institution have had unusual demands on them, and are likely to have more serious ones still, which will require the most careful management of the income at their command, whilst certain expectations of help from the Indian Relief Fund, on which they were led to rely, have entirely failed them.

The Governors of the Asylum earnestly request that Government would remit the amount claimed up to the date of the receipt of the last interest received on the bonds now in hand, viz., up to May the 31st 1860, from which date the funds are to be considered as invested in non-transferable Treasury Bonds at 4 per cent., as directed in the Accountant General's Bill, since very great injury will accrue to this Charitable Institution, by the retrenchment of so large a sum as Rupees 3,567-4-1.

No. 41. ORDER THEREON 20th April 1861. No. 202.

Referred for the report of the Accountant General.

2. A reference has been made to the Right Honorable the Secretary of State on the subject of the refund by the Asylum of the amount gained by investments at a discount, but no answer has yet been received.

Sir

I am directed by the Board of Governors of the Military Male Orphan Asylum, in accordance with a resolution passed at a recent Meeting, to request the remission of the sum claimed in consequence of the recent transfer of their stock.

The sum has not been paid as yet from the simple fact that the Government have not had it in their power to do so. During the last 12 months, in consequence of various changes in the Institution, by way of preparing for still greater changes in its contemplated removal to the Neilgherry Hills, the funds of the Institution have had unusual demands on them, and are likely to have more serious ones still, which will require the most careful management of the income at their command, whilst certain expectations of help from the Indian Relief fund, on which they were led to rely, have entirely failed them.

The Governors of the Asylum earnestly request that Government would remit the amount claimed up to the date of the receipt of the last interest received on the bonds now in hand, viz. up to May the 31st 1869, from which date the funds are to be considered as invested in Non-transferable Treasury Bonds at 4 per cent, as directed in the Accountant General's Bill, since very great injury will accrue to their

charitable Institution, by the retrenchment of so
large a sum as Rs 5567-4-1.
