*Proceedings of the Madras Government, Financial Department,
23rd May 1861.*

No. 52. Read the following letter from the Honorable E. DRUMMOND, Auditor General of India, to C. H. LUSHINGTON, Esq., Secretary to the Government of India, Financial Department, dated 18th April 1861, No. 101.

I have the honor to solicit the orders of Government relative to the audit of the charges of the East and West Berar District Treasuries, the accounts of which have under the new arrangements been transferred to Madras. The Assistant Commissioner of East Berar in a letter addressed to the Civil Auditor, Fort William, No. 87, dated 8th instant, suggests that the charges should be audited by the Civil Paymaster at Bombay which is only five days' dāk from his station, while Madras is not less than twelve.

2. The Superintendent of Revenue Survey, South Marhatta Country, advocates a similar arrangement as the most convenient for the charges connected with the Survey. I therefore beg to propose that the audit of these charges be effected by the Civil Paymaster at Bombay, and that this audit be held sufficient authority for the entries in the accounts of the Berar District and for the adjustment of those accounts by the Deputy Auditor and Accountant General at Madras. Should this course be approved, I beg to suggest that the necessary orders be issued to the Officers concerned at the earliest possible date, in order that the audit records may be transferred accordingly on the 1st May proximo.

No. 5,148.

By order of His Excellency the Governor General in Council.—
