No. 101.

MEMORANDUM.

With reference to the estimate of supplies to be made to the Civil Department from the Madras Commissariat for the year 1861-62, the Deputy Secretary to Government has the honor to request that the Commissary General will be good enough to state as early as possible for what purposes the supplies chargeable to the Government of India are made to the stations noted in the margin.*

*Russelcondah.
Nursepatam.
Berhampore.

Bezoarah.
Vizianagrum and
Kamptee.

2. He will also be good enough to furnish similar information in regard to the half yearly supplies which are chargeable to the Government of India.

To the Commissary General.

No. 99.

MEMORANDUM.

Adverting to a Memorandum, No. 101 from the Deputy Secretary to Government, Financial Department, the Commissary General has the honor to state, that supplies of all kinds charged against the General Government of India to the stations noted in the Memorandum under acknowledgment excepting Kamptee, are required to be made to the Sebundy Corps stationed there. The supplies at Kamptee are for the Nagpore Irregular Troops.

MEMORANDUM.

With reference to the Commissary General's Memorandum of the 22nd instant, No. 99 the Chief Secretary to Government has the honor to point out that of the stations in the Northern Sircars as per margin,* Russelcondah is the only station of Sebundies who are under the Government of India. The Orissa Sebundies under the Government of India, it is understood, have their Head Quarters there as also have the Goomsoor Sebundies who are under the Government of Madras.

2. At the other stations named, if there are any Sebundies, they must be Sebundies under the Government of Madras, viz., the Goomsoor Sebundies, the Vizianagrum or Golcondah Sebundies, and the Masulipatam or Krishna Sebundies.

3. It does not appear how the articles provided at Nursepatam, Berhampore, Bezoarah and Vizianagrum can be chargeable against the Government of India. If those at Russelcondah are so chargeable, it must be because they are supplied to the Orissa Sebundies.

4. The Chief Secretary requests the favor of further explanation on the point, as also to be informed on what Officers' requisitions the estimates for these stations have been framed. It is presumed the "half yearly supplies" following the head of Sebundy are like the other supplies on account of Nagpore Irregular Troops.

MEMORANDUM

The Commissary General has the honor to inform the Chief Secretary to Government that he has referred the subject of his Memorandum to the Examiner of Commissariat Accounts in the hope of obtaining the required information, but as that Officer is unable to give it, the Commissary General has referred to the Officer of this Department in the Northern Division for information, which when received will be communicated.

MEMORANDUM.

In continuation of a Memorandum from this Office, to the Chief Secretary to Government, the Commissary General has the honor to forward in original a letter received from the Executive Commissariat Officer at Cocanada, and to state, that as the expense on account of the first Sebundy Corps organized on the Orders of the Governor General's Agent was charged against "General Government of India;" similar charges for the use of the Sibundies subsequently raised, were likewise entered under the same head of charge.

COMMISSARY GENERAL'S OFFICE,
MADRAS, 15th May 1861.

(Signed) A. McCALLY, Colonel,
Commissary General.

To the Chief Secretary to Government, Financial Department, Fort Saint George.

From Lieutenant B. H. W. MAGRATH, Sub Assistant Commissary General, Northern Division; to the Commissary General, Madras, dated Cocanada, 3rd May 1861, No. 5.

In reply to your letter,* I have the honor to inform you that the charges incurred on account of Sebundy Corps in this Division have always been under the heading of "General Government of India," but on what grounds, I am unable to explain. The first Sebundy Corps raised was the Orissa one under the Orders of the Governor General's Agent for Hill Tracts, and as these come properly under the heading of "General Government of India," I imagine the same heading was continued when charges had to be made on account of the Sibundy Corps since raised; no objection having been made at the commencement, this heading has never been altered.

No. 55.

ORDER THEREON, 25th May 1861, No. 261.

The supplies entered against the "General Government of India," in the Statement furnished by the Commissary General, for the several Stations marginally noted, would appear to have been wrongly charged to that Government, except perhaps in the case of Russelcondah. It is understood that the Orissa Sebundies under the same Government have their Head Quarters at Russelcondah as well as the Goomsoor Sebundies, who are under the Madras Government. At the other Stations if there are any Sebundies they must be Sebundies under this Government, viz., the Goomsoor, the Vizianagrum or Golcondah and the Masulipatam or Kristna Sebundies.

2. It is resolved therefore that Extracts from the Statement of particulars of charges estimated by the Commissariat Officers in the Presidency and out-Stations on account of the Civil Departments and other Governments for the year 1861-62, so far as respects the charges under the heads of Russelcondah, and Berhampore, be forwarded to the Government Agent of

These Officers will be authorized, if such supplies as those named in the list have hitherto been furnished by the Commissariat to the Madras Sebundies in their several Districts, to procure the same in the local market and charge for them in Contingent Bills which will be passed by the Civil Auditor and be debited to the Madras Government.
