Proceedings of the Madras Government, Financial Department,

21st January 1861.

No. 36. Read the following letter from W. J. RAYNOR, Esq., Officiating Civil Auditor, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 24th December 1860, No. 444.

In conformity to the Order of Government in the Financial Department, dated 19th March 1858, No. 194, I have the honor to forward herewith a Comparative Statement of Contingent expenditure passed by this Office during the official year 1859-60, under the authority granted in Government Order of the 9th May 1856.

2. It will be observed that the total sum passed during the year under review, is Rupees 529-5-4 less than that passed for the preceding year, which exhibited a decrease of Rupees 44,904-3-4 on the Contingencies of 1857-58.

No. 37. ORDER THEREON, 21st January 1861, No. 29.

With the above letter, the Civil Auditor submits a Comparative Statement of the Contingent expenditure in the Civil Department of this Presidency incurred in the years 1858-59 and 1859-60, with explanation of the cause of increase in respect to such items as call for notice. This Statement was called for by the Order of Government, dated the 19th March 1858, No. 194, which reviewed the expenditure for 1856-57.

2. It appears to the Government that under the new Budget system such a Statement as that now furnished can no longer be necessary, nor serve any useful purpose. The Contingencies of every Office and Department must be carefully estimated and provided for in the Budget Estimates, which, after undergoing revision, will have to be submitted for the sanction of the Government of India. All expenditure therefore on the above account must be restricted to the sanctioned amount, and it will be for the Civil Auditor to see that it is not exceeded. The Annual Comparative Statement may therefore be discontinued for the future.
