*Proceedings of the Madras Government, Financial Department,
14th June 1861.*

No. 38. Read the following letter from Lieutenant Colonel C. A. ORR, Mint Master, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 10th June 1861, No. 48.

Paragraph 1. Under the erroneous impression that such sums only as would be required for actual disbursement should be entered in the "Budget Estimate," the portions of the salaries of Messrs. Scott and Clarke, the European Moulder and Pattern maker attached to the Mint Foundry, which, under their Covenants, are to be paid in England, amounting in the aggregate for the year to Rupees 1,920, have unfortunately been omitted, and the Civil Auditor has accordingly deducted from their Abstracts for last month the amount thus unprovided for in the "Budget" in addition to a like amount on account of the said payments in England.

2. Messrs. Scott and Clarke are thus mulcted of a sum of Rupees 80 each, in consequence of a misapprehension on my part, notwithstanding that they are guaranteed their full salaries by their Covenants, and I regret that I am obliged to lay the matter before you for submission to Government, with a request that it will authorize the Civil Auditor to pass the Abstracts in question as usual.

3. There will, I believe, be no necessity for a supplemental credit, as the total amount entered in the "Budget Estimate" of the Mint expenditure for the current year, under the head "Extra Workmen," will, in all probability, be found sufficient to meet the deficiency in the sum provided for Messrs. Scott and Clarke's salaries.

No. 39. ORDER THEREON, 14th June 1861, No. 301.

Ordered that a copy of the foregoing letter be furnished to the Civil Auditor, and that he be authorized to pass as usual the Pay Abstracts of the Moulder and Pattern maker attached to the Mint Foundry.

(Signed) T. PYCROFT,
Chief Secretary.
