In forwarding for the information and guidance of His Excellency the Governor of Fort Saint George in Council, a copy of a Resolution* passed by His Excellency the Governor General in Council, I am directed to solicit particular attention to paragraph 3 of the Resolution and to request that a well qualified Officer may be appointed to accompany Mr. Temple in the duty therein specified.

Extract from the Proceedings of the Government of India in the Financial Department under date the 8th June 1861, *No.* 6,737.

RESOLUTION.—The Governor General in Council having had under consideration the expenditure Civil, Military, and Political under the control of the Resident at Hyderabad, and on account of the Government Establishments in, and connected with, His Highness the Nizam's dominions, desires that the aggregate annual outlay may be carefully compared with the Revenues of those Districts which were expected to defray the charges of the British Government arising out of its connection with His Highness the Nizam. Under any circumstances His Excellency in Council is of opinion that there is a large scope for economy and reduction, which can be best arranged by the Resident with the assistance of, and in conjunction with, an Officer belonging to the Financial Department of the Supreme Government, aided by an Officer selected from the Madras Presidency.

2. For this purpose His Excellency in Council is pleased to depute Mr. R. Temple (a member of the Civil and Military Finance Commission) to proceed to Hyderabad to confer with the Resident on all subjects connected with the British Establishments and administration in Hyderabad and its territories Civil, Military, and Political.

3. The Government of Madras will be requested to select an Officer, Civil or Military, who may be best qualified to afford information connected with Madras and bearing on the enquiry above described, and place him in communication with Mr. Temple with instructions to accompany him to Hyderabad.

4. After completing the enquiry the Resident in conjunction with these Officers will submit a joint Report to the Governor General in Council shewing the means whereby they would propose to reduce expenditure of all kinds and from all sources connected with the dominions of His Highness the Nizam by or on account of the Indian Government, and suggesting every practicable measure of economy consistent with the efficiency of the Establishments Civil, Military, and Political. The above Report, His Excellency in Council desires, should be submitted with as little delay as possible.

5. The Resident of Hyderabad is requested to instruct all Officers subordinate to him to furnish Mr. Temple fully and unreservedly with all information pertaining to this enquiry.

6. The Government of Bombay and the Commissioner of Nagpore will be requested to furnish Mr. Temple with any information or assistance bearing on the management of the Assigned Districts or on other points connected with his enquiries.
