*Proceedings of the Madras Government, Financial Department,
24th June 1861.*

No. 65. Read the following letter from C. H. LUSHINGTON, Esq., Secretary to the Government of India, Financial Department; to the Chief Secretary to the Government of Fort Saint George, dated Fort William, the 4th June 1861, No. 6,524.

I am instructed to enclose the undermentioned documents, viz., letter and annexures of Military Finance Department, No. 225 A, dated 5th April 1861, and Memo. thereon by the Honorable S. Laing, dated 10th idem, and to observe, with reference to the Proceedings of the Madras Government, No. 1,029, dated 18th March 1861, on the subject of the Military Budget Estimates of that Presidency for 1861-62, which were received through the Accountant General, that final orders would long since have been issued, but that it was considered advisable to await the receipt of the detailed Estimates of Bengal and Bombay, and the final allotment of the 1,280 lacs which have been entered in the Budget for all India.

2. It appears, however, that the delivery of these last named Estimates is still likely to be delayed for some time, and as the Madras Estimates framed by the Military Finance Department have been approved generally, it is thought desirable at once to furnish copies of the before-mentioned papers for the information and guidance of the Madras authorities pending, and subject to, any orders that may hereafter be passed on a general review of the Military expenditure of all India.

No. 66. ORDER THEREON, 24th June 1861, No. 320.

Ordered that the foregoing letter and its enclosures be communicated to the Military Department, the Military Auditor General and Controller of Military Finance, and the Accountant General.

(Signed) T. PYCROFT,
Chief Secretary.
