Proceedings of the Madras Government, Financial Department,
11th July 1861.

No. 28. Read the following Extract from the Proceedings of the Government of India in the Financial Department, dated 14th June 1861, No. 7,190.

Read again Financial Resolution, dated 8th May last, relative to sending in applications for expenditure in excess of Budget Grants.

RESOLUTION.—In the abovementioned Resolution, it was stated that no applications for additional establishments would be complied with unless the expenditure on account of them could be met by a reduction of other items of expenditure under the heads of service to which the applications in question appertain; and it was determined that the sums sent in by the local Governments and passed by this Government, should be held to be sufficient for the wants of the local Governments for the year; and that these sums should in no instance be exceeded, except in cases of expenditure on account of Wars, Famines, Inundations, and such like occasions which cannot ordinarily be foreseen, and may best be provided for by special grants as the emergencies arise, and in cases of pensions and gratuities, the occasions for which cannot be accurately foretold and certainly provided for in the Budgets.

2. Since these orders were issued, certain applications for expenditure of a nature not provided for in the exceptions noted above, have, the Governor General in Council observes, been sanctioned in the Home and Foreign Departments, and forwarded to this Department for registry, without its being stated whether the expenditure can be provided for out of the Budget Grants or not; and His Excellency in Council, therefore, directs that orders be issued to the several Departments of the Government of India to the effect, *first*, that as few sanctions to applications for expenditure as is possible without absolute inconvenience, be given in those Departments; and, *secondly*, that in all cases (whether for charges for establishments or contingencies or any other class, and whether fit for sanction in other Departments or for transmission to this Department for consideration) enquiry be made in the first instance whether the expenditure can be met out of the Budget Grants, and that the fact of its being so met or otherwise be invariably stated in the orders communicating the papers to this Department.

3. The Governor General in Council further directs that like orders be issued to the local Governments when sending in any applications for expenditure of any description whatsoever.

---

* Foreign, Home, Military, and Public Works Departments.
† Governments of Bengal, North-Western Provinces, Punjab, Madras, and Bombay.
