Proceedings of the Madras Government, Financial Department, 8th August 1861.

No. 16. Read the following letter from W. WATERFIELD, Esq., Officiating Civil Auditor; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 20th July 1861, No. 575.

Fixed Department.

In their Proceedings of the 21st May last, No. 7,056, Financial Department, the Government of India disallowed the practice of granting both mileage and daily allowance to Deputy Inspectors of Schools for the same day.

2. The Special Assistant and Deputy Collectors attached to the Inam Commission, and the Deputy Collector attached to the Irrigation and Canal Company are permitted* to draw permanent travelling batta of 3 Rupees per diem in addition to mileage for the distance actually travelled.

* *G. O. 4th May* 1860, *No.* 714.
„ *2nd June* 1860, *No.* 910.
Revenue Department.

3. Again the Clerks and other servants on the establishments of the Director of Public Instruction, Inspector General of Mofussil Police, Directors of Revenue Settlement and Survey and Officers of the Inam Commission, are allowed mileage, with batta at 3-10ths of their salary under orders noted in the margin.†

8th November 1858, *No.* 1,572, *Judicial Department.*
25th June 1859, *No.* 841, *Revenue Department.*
6th November 1860, *No.* 2,053, *Revenue Department.*
14th June 1859, *No.* 784, *Revenue Department.*

4. It appears to me that the Orders of the Government of India above quoted were intended to apply generally to all cases, and I beg therefore to bring the subject before Government for consideration.

5. I may note that the Superintendent of Revenue Survey in Bengal, his Deputy Collectors and establishment, sometimes draw mileage when travelling from their Head Quarters to the District in which their field work lies; but in such case they draw no daily allowance or batta at 5 Rupees, 3 Rupees, and 3-10ths of salary respectively, for the same period.

6. It occurs to me that the allowance described in paragraph 2 being granted for the whole year without reference to Head Quarters may have been intended as an increase to salary rather than an actual travelling grant; but this will not apply to the cases in paragraph 3.

No. 17. ORDER THEREON, 8th August 1861, No. 414.

Ordered that the foregoing letter be communicated to the Authorities named in the margin, for the immediate submission of such remarks as they may have to offer on the question therein raised, respecting the grant of both mileage and daily allowance or batta to the Officers and servants on their respective establishments.
