*Proceedings of the Madras Government, Financial Department,
19th August 1861.*

No. 39. Read the following letter from W. BALMAIN, Esq., Officiating Secretary to the Government Savings' Bank; to the Chief Secretary to Government, Fort Saint George, dated 12th August 1861, No. 433.

I have the honor to request the instructions of Government in regard to the meaning of part of Rule XII of the Savings' Bank Rules for Civil Depositors.

2. It is laid down that deposits in the names of children cannot be withdrawn without authority from the children. But in the case of children who are so young as not to be able to manage their own affairs, I do not understand that their consent for the withdrawal of money can be held of force, or what authority will satisfy the requirements of the Rule. Deposits are sometimes made in the names of children as young as two and three years. It has been the practice of the Bank to allow the parents to withdraw without requiring the production of any specific authority beyond a mark in the book made by the child, and witnessed by themselves or by bringing the child with them to the Bank.

3. I beg to forward for orders an application from an elder brother who has administered to his father's estate and who wishes to withdraw deposits standing in the names of two of the children aged 9 and 13 years.

No. 40. ORDER THEREON, 19th August 1861, No. 434.

Resolved that the foregoing letter and its original enclosure, with a copy of the Rules referred to, be forwarded through the Acting Government Solicitor, to the Advocate General, for his advice as to whether Mr. Williams' application should be complied with, and if so, under what condition.

Secretary to Government.
