PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated 11th July 1861, No. 9,209.

Read again the Financial Resolution, dated the 8th May last, laying down certain rules for the guidance of the local Governments in sanctioning charges within the limits of the Budget Estimates.

Read the following papers on the subject of Educational Grants:—

1. Letter to the Officiating Civil Pay Master, No. 5,672, dated the 18th May last.
2. Letter from the Officiating Civil Pay Master, No. 7, dated the 20th idem.
3. Office memorandum to the Secretary to the Government of Bengal, No. 7,259, dated the 6th ultimo.
4. Office memorandum from the Secretary, Government of Bengal, No. 75, dated the 27th ultimo, and its enclosure.

OBSERVATIONS.—In 1854, the Council of Education applied to the Government of Bengal to be vested with power to expend all schooling fees upon the schools in which they were collected, in procuring additional Masters or meeting other requisitions for extension for which good and reasonable grounds could be shewn by the local Committees.

This request was complied with, “on the understanding and condition that the total amount expended annually on any one school shall not exceed the amount now assigned from the Education or other Funds for its support, in addition to the actual amount realized by schooling fees within the year, and provided that the salary of no Master be raised above the scale already sanctioned by Government.”

With reference to this order, the Civil Pay Master was requested to state whether he considered himself at liberty to pass any such fresh salaries, not included in the Budget, on the authority of the Director of Public Instruction.

In reply, he states that the practice of his Office is to pass any salaries sanctioned by the Director General of Public Instruction out of school fees, provided the total amount does not exceed the amount of the Education grant, and that realized by schooling fees.

RESOLUTION.—His Excellency the Governor General in Council approves of this practice, and sanctions its being continued, as an exception to the rule prescribed in paragraph 1 of the Resolution of this Department, dated the 8th May last.
