PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from C. H. LUSHINGTON, Esq., Secretary to the Government of India, Financial Department; to the Chief Secretary to the Government of Madras, dated Fort William, Council Chamber, the 23rd July 1861, No. 9,538.

I am directed to acknowledge the receipt of your letter, No. 578, dated the 23rd November 1860, forwarding one from the Directors of the Madras Military Fund, in which they request orders on a letter received by them from the Deputy Auditor and Accountant General (then only Accountant General) calling on them to surrender to him all Promissory Notes of the Government of India belonging to that Fund for the purpose of being cancelled, and in order to the issue in lieu of Non-transferable Treasury Notes bearing interest at 4 per cent. per annum.

2. In reply, I am desired to inform you that the instruction which the Directors have received from the Accountant General, appears to be one of those to which the Accountant General referred in his letter to my address, No. 1713, dated the 15th November last, in which he submitted an explanation of the instructions which he had issued to the Managers of the several Service and Charitable Funds at Madras. That letter and the previous papers have been sent to the Right Honorable the Secretary of State for India, for decision of the question mooted, and nothing can be done in regard to the question until the orders of the Secretary of State are received.
