*Proceedings of the Madras Government, Financial Department,
5th October 1861.*

No. 7. Read the following letter from A. J. ARBUTHNOT, Esq., Director of Public Instruction; to the Chief Secretary to Government, Fort Saint George, dated Coonoor, 20th August 1861, No. 1,548.

I have the honor to acknowledge the receipt of the Proceedings of Government under date the 8th instant, No. 414, calling for remarks on a suggestion made by the Officiating Civil Auditor, that the Officers and Servants on my establishment should no longer be allowed to draw both a mileage and daily allowance, or batta, when travelling on duty.

2. The rule to which the Officiating Civil Auditor refers, appears to me to be equally applicable to the Officers and Servants on my establishment, and indeed to myself, as to the Inspectors and Deputy Inspectors of Schools. There is no apparent reason why the grant of both allowances should be authorized in the one case, if it be withheld in the other. I have already in my letter of the 12th February last, expressed my opinion in opposition to the rule which has been laid down as regards Inspectors and Deputy Inspectors, and, while I adhere to that opinion, I have nothing to add to the arguments already urged by me in support of it. The rule, I venture to think, is impolitic, but if it be applied at all, I see no reason why its application should not be general.

No. 8. ORDER THEREON, 5th October 1861, No. 485.

Ordered to be communicated to the Civil Auditor, in reference to the Proceedings of Government, 8th August last, No. 414, Financial Department.

2. The Government consider that the rule laid down by the Government of India in their Resolution of the 21st May last, No. 7,047, Financial Department, should apply to all persons in the Educational Department.
