*Proceedings of the Madras Government, Financial Department,
16th October 1861.*

No. 25. Read the following letter from L. C. INNES, Esq., Civil Judge of Nundial; to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, Fort Saint George, dated Kurnool, 20th September 1861, No. 12.

Adverting to the Order of Government of the 6th ultimo, No. 408, directing the reduction of the number of Peons on the Judicial Establishments, I made a reference to the Civil Auditor (letter, No. 10, dated 3rd September 1861, copy of which is appended), requesting to be informed whether under the circumstances stated, I should be allowed to retain on my establishment two Peons, who were not provided for, one of whom has since been drafted into the Police.

2. I made the reference to the Civil Auditor, as the Proceedings of the Sadr Court, dated 15th April 1861, direct that "all references on the interpretation of the Orders of Government respecting the salaries and allowances payable to Officers in the Judicial Department, should be made direct to the Civil Auditor."

3. The Civil Auditor in his reply, No. 824 $\frac{1}{2}$, dated 9th September 1861, copy of which is forwarded, states that he has no power to authorize the retention of the Peons.

4. The one Peon who is now remaining unprovided for, has been promised employment by the Superintendent of Police on the occurrence of a vacancy in the Police which is expected early in next month.

5. Under the circumstances stated in my reference to the Civil Auditor, which I consider it unnecessary to recapitulate, I have the honor to request that I may be authorized to retain on my establishment the one Peon alluded to during this month, or until provided for by the Superintendent of Police.

From L. C. INNES, Esq., Civil Judge of Nundial; to W. J. RAYNOR, Esq., Officiating Civil Auditor, Fort Saint George, dated Kurnool, 3rd September 1861, No. 10.

Adverting to the Order of Government of the 6th ultimo, No. 408, directing the reduction of the number of Peons on the Judicial Establishments, I have the honor to request further instructions.

2. The Order was received by me through the Registrar of the Sadr Court. The Registrar dated it the 27th August, and a Memorandum was appended instructing me to carry out the directions of the Government from the 1st proximo, that is the 1st of September.

3. It was received by me on the evening of the 1st September which was a Sunday, and there was no possibility of making any arrangements until the following day (the 2nd September.)

4. In furtherance of the Orders of Government, I have arranged for six out of nine of the Peons of the Court who would have to be reduced being drafted into the Police. Out of the remaining three men, one is an old man, who was not accepted by the Superintendent of Police, and the other two were promised by that Officer to be provided for during the current month as vacancies are expected to occur.

5. As Peons are monthly paid servants, they appear to me to be entitled to a month's notice before their services are dispensed with, and I have therefore the honor to request permission to retain on my establishment during this month the two Peons above referred to.
