The Chief Secy has
selected the draft marked
"Public Dept" as the more
complete one. The G.O was
first by one in two different
shapes in order that the one
approved might be adopted.
The Bishop, it appears to
me, should be included
in this Notification, which
is a general one - because
he does not follow the
course therein laid down.
The applications for privilege
leave complied with by
the Bishop are sent up
to this Office, & after it
has been ascertained that
from the Audit Office that

[illegible]

the applicants are entitled to it the leave is obtained in the Official Gazette. All this is quite unnecessary. I do not propose to carry it. I do away with it. The Master Attendant at Madras is entered in the margin of para 2. is an exception in the approved Draft.

The District should be struck out of the list. He has already power to grant privilege leave to Chaplains.

I think that it might be as well to add the Master Attendant at Bombay to the list of those who are to get leave from Port-Blair as important and highly paid Officers. The Supt of Marine might grant leave to all but all Harbour Masters and to all Officers in his dept at Madras 24 Oct 76

It does not seem to me to

is necessary to apply to the Supreme Govt.
This order to Bombay was sent for our
information & guidance - and that
we now do only follow out the principle.
Indeed we do not go so far as we do
not allow the Rev Dr. Hunt Lewis
& Collectors & the Commissioners all
Bombay has been allowed —

In fact the whole is a most loose
and Departmental arrangement —
involving no expenditure and but
as a look for if they can to have
any power at the might with do
of their own book —

But the views of the Municipal
Council may be taken on the point.

I do not see why two drafts are
sent under separate letters - That
in the Public Dept. seems to
me complete -

I should think
a reference in case

My own opinion is
