*Proceedings of the Madras Government, Financial Department,
21st February 1861.*

Read again letter from E. B. GLASS, Esq., Madras Civil Service, recorded in Proceedings of the 4th January 1861, No. 3.

5-4 No. 56. Read also the following letter from R. P. HARRISON, Esq., Accountant General, to the Chief Secretary to Government, Fort Saint George, dated 7th February 1861, No. 390.

I have the honor to acknowledge the receipt of the Order of Government, No. 3, dated the 4th ultimo, referring to me for early report an application from Mr. Glass, who has obtained an annuity from the Civil Fund of 1818, to have his annuity paid quarterly and to date of decease.

2. There is no information in this Office relative to the Fund of 1818 beyond a copy of the Deed under which the Fund was constituted. That Deed makes no provision for quarterly payments or for payments to date of decease, and as Mr. Glass was bound to subscribe for the whole period of his service to secure an *annuity*, he is not in my opinion entitled to have that annuity paid quarterly or to date of decease, whatever his subscriptions may actually amount to.

5-5 No. 57. ORDER THEREON, 21st February 1861, No. 97.

Resolved, that the application of Mr. Glass to have his annuity paid quarterly and to date of decease, together with the papers on the subject, be submitted to the Right Honorable the Secretary of State for India for his orders.

2. Mr. Glass, it must be observed, is not in strictness entitled to the indulgence which he solicits; but looking to the large amount of his subscription in excess of the value of his annuity and the fact that compliance with his application will not form an

W. Dowdeswell, Esq. inconvenient precedent, as there is but one remaining subscriber to the Fund of 1818 not yet admitted to an annuity, the Honorable the Governor in Council will strongly recommend his request for the favorable consideration of the Home Government.

Chief Secretary.
