2. It will be seen from the Order of Government, dated 10th December 1861, No. 2,273, paragraph 6, that the first, second, fifth and sixth items are inadmissible. They should therefore be struck out of this Budget.

With regard to the third item the Government observe from paragraph 14 of their Order in the Revenue Department, 24th January 1862, No. 103, that the receipts and charges under that head should be entered under Miscellaneous in future Budgets. The present estimate, although somewhat in excess* of the allotment for the current year, is passed.

4. No explanation is afforded by the Collectors regarding the fourth item, it will therefore be struck out, if necessary the required amount will be given from the Public Works Funds.
