*Proceedings of the Madras Government, Financial Department,
17th February 1862.*

No. 81. Read the following letter from W. BALMAIN, Esq., Officiating Sub-Treasurer ;
to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated
3rd February 1862, No. 830.

I have the honor to request the Orders of Government, as to the principles on which the
reduction of the Treasury Establishment is to be carried out.

2. The reduction will involve upwards of 20 persons of grades entitled to pension, and
some 16 Office servants. It is probable that the Mint Master may be able to give situations to
a few, in the Establishment for managing the currency, and the Directors of the Bank of Mad-
ras are also willing, as far as their requirements extend, to entertain some of those reduced ; but
there will be a difficulty in the latter case in disposing of the claims to pension wholly, or in
part, earned at the time of transfer.

3. The Government of India were pleased to remark, with reference to the Sub-Treasurer's
Establishment at Calcutta, that persons taking service with the Bank might fairly be held to
have a lien on Government for pension, &c., beyond the strict letter of their rule of service.
It is not clear in what particular way this compensation is to be adjusted, but I presume that
any of the Establishment here, transferred to the Bank will have the same privilege allowed
them.

4. Those of the class entitled to pension who may elect to take pension, or the gratuity
due on their service, will of course be at liberty to get any private employment, as at the Bank,
but will have no claim to an official recommendation to the Bank for entertainment. The Office
servants, peons, &c., might, I think, be allowed the gratuity due on their service and also a
recommendation if their services should happen to be required.

5. On the closing of the Treasury, I will submit a detailed report of the cases of all those
who have not obtained employment elsewhere, and I hope that Government will be pleased to
consider them as exceptional and not to be disposed of on the strict interpretation of the rules.

No. 82. To the Secretary to the Government of India, Financial Department, dated Fort
Saint George, 17th February 1862, No. 147.

I am directed by His Excellency the Governor in Council to forward, for submission to the
Government of India, a copy of a letter from
the Officiating Sub-Treasurer, relating to the
reduction of the Treasury Establishment that

Dated 3rd February 1862, No. 830:

is to be carried out on the transfer of the business to the Madras Bank ; and to request that
this Government may be favored with more explicit instructions in respect to the persons referred
to in paragraph 3.

3. The Govt. of India were pleased
to remark, with reference to the
Sub Treasurer's Establishment as

of the Establishment here, & about
Berhampore, the Bank will have the

the gratuity due on their service &
also a recommendation if their ser-
vices should happen to be required.

5. On the closing of the season,
I will submit a detailed report
of the cases of all those who have
not obtained employment elsewhere,
& I hope that Govt. will be pleased
to consider them as exceptional &
not to be disposed of on the strict
