*Proceedings of the Madras Government, Financial Department,
25th February 1862.*

6 No. 107 Read the following letter from the Chief and the Puisne Justices of the Supreme Court; to the Honorable the Governor in Council &c., &c., &c., Fort Saint George, dated 24th February 1862.

We have the honor to acknowledge the receipt of the letter of your Excellency in Council bearing date the 15th February 1862, requesting that with our permission the Securities &c., now lodged in the Accountant General's Office or in the Treasury on account of our Court, may from the 1st March next be deposited with the Bank of Madras.

Referring to the Charter of the Supreme Court and to the rules framed thereunder, we should not be at liberty to give our sanction to any arrangement which would have the effect of lessening or interfering with the responsibility of the Government for the money or effects or securities of the suitors deposited in the Treasury or which would throw any additional charge upon such funds. But understanding that the only effect of the new arrangement so far as these funds are concerned, is to constitute the Bank of Madras the Government Treasury, and having ascertained from the Accountant General that the Bank charge of a $\frac{1}{4}$ per cent. commission on drawing interest mentioned in your letter, will be borne by the Government, we see no objection to the deposit of such funds with the Bank of Madras, and the necessary order shall be drawn up and sent to the Accountant General.
