PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Vellore, 10th December 1861, No. 69 :—

SIR,

Referring to the Order of Government, dated 2nd instant, No. 2,248, I have the honor to state that my Budget Estimate of expenditure for 1862-63 has been submitted to the Accountant General, dated 16th ultimo, as requested in his Circular of the 24th October last, a copy thereof is herewith forwarded for the information of Government.

ORDER THEREON, 21st December 1861, No. 2,339.

1. With this letter the Inám Commissioner submits a copy of his Budget Estimate of charges for 1862-63.

2. The *actual* charges of 1860-61 are entered as Rupees 1,68,466, the *estimated* charges of 1861-62 are Rupees 2,03,706, but a saving of Rupees 30,000 is expected in the course of the year, whereby they will be reduced to Rupees 1,73,706. The Estimate of 1862-63 is higher, being Rupees 1,92,553.

3. The Inám Commission is a temporary Establishment, which it is good economy to maintain in full efficiency in order that its work may be accomplished as soon as possible. The operations of the Commission actually commenced in September 1859, and its total cost up to the 30th ultimo, has been about 3,60,000 Rupees. The additional Revenue consequent on its operations was, by the latest return, Rupees 3,14,387, but it must be remembered that much of its work, such as the inquiry into Village Service Ináms, is not represented in a money valuation of its proceedings. It is expected that the work of the Commission will be completed in 1862-63, so that the charge now proposed will be the last.

4. The Governor in Council passes the Estimate of the Commissioner for Rupees 1,92,553 as particularized below :—
