*Proceedings of the Madras Government, Financial Department,
26th February 1862.*

No. 110 Read the following letter from F. LUSHINGTON, Esq., Acting Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 25th February 1862, No. 326.

Book and Adjustment Department.

With reference to the transfer to this Office of the Records, Accounts and Vouchers of the General Treasury from the 1st March next, I have the honor to inform you that there is not sufficient room in this building at present for the whole of the Records now with the Sub-Treasurer. I would therefore beg to suggest that the Records of the late Government Bank, (which form the greater portion of those in the Treasury,) be allowed to remain where they are for the present, until other arrangements can be made for their final disposal, and that the Records of the General Treasury alone be now transferred to this Office.

No. 110. ORDER THEREON, 26th February 1862, No. 172.

The Government approve the arrangement suggested by the Accountant General in regard to the Records now with the Sub-Treasurer. Those of the late Government Bank will remain where they are, for the present.

Chief Secretary.
