1. I have the honor to state that 15 sets of the Budget Estimates for 1862-63, will be required to be copied for distribution as shewn in the annexed Memorandum, and therefore request you will be good enough to obtain the sanction of Government to my entertaining an Establishment, temporarily, for 3 months as shewn in that Memorandum to complete the required number of copies.

2. I need not observe that the Estimates in question are not only voluminous, but full of figures; it is necessary that the totals of the fair copies should be examined besides having them compared, to ensure accuracy, and therefore two Calculators will be required. The cost of the temporary Establishment can be met from the amount provided for in the Budget Estimates of 1861-62, and 1862-63, under X, Civil Contingencies, minor head unforeseen Contingencies.

3. A set* of the Budget Estimates for 1862-63 is herewith submitted in Order that Government may see the extent of the work which will be required to be turned out.
