Proceedings of the Madras Government, Financial Department, 21st March 1862.

No. 55. Read the following letter from W. E. GORDON, Esq., Secretary to the Government Savings' Bank; to the Chief Secretary to Government, Fort Saint George, dated 12th March 1862.

I have the honor under instructions from the Committee to submit, for the approval of Government, a Notification which it is proposed to issue in an early number of the Fort Saint George Gazette, relative to a change in the hours of receiving and paying Deposits, and in the mode of payment of sums of Rupees 25 and upwards.

2. The present hours of cash business are from 11 A. M., to 3 P. M., on Tuesdays and Fridays, but as the Madras Bank will now close at 3 P. M., it becomes necessary to modify our hours so as to admit of the day's Cash Balance being remitted to the Madras Bank sufficiently early to be credited on the same date.

3. In respect to the change in the mode of payment, I am to observe that when the Savings' Bank was located in the General Treasury it was at all times practicable to obtain funds to make payments in coin: under existing circumstances payments are made in cash or by cheque as may be warranted by the state of the Cash Balance, and as it is desirable to adopt a uniform rule, of which depositors should be informed, Rupees 25 are suggested as the amount below which cash payments alone will in future be made. These will be met from the cash receipts of the day which will ordinarily suffice for the purpose.

GOVERNMENT SAVINGS' BANK.

It is hereby notified with the sanction of Government that the Government Savings' Bank will, in future, be open for the receipt and withdrawal of Deposits on Tuesdays and Fridays from 10½ A. M. to 2½ P. M.

Payments of Rupees twenty-five and upwards will be made by cheques on the Madras Bank.

(Signed) W. E. GORDON,
Secretary.

No. 56. ORDER THEREON, 21st March 1862, No. 222.

The proposed Notification is approved.
