Proceedings of the Madras Government, Financial Department, *28th March* 1862.

No. 90. Read the following letter from C. H. LUSHINGTON, Esq., Secretary to the Government of India; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated 6th March 1862, No. 1,712.

Your letter No. 112, dated the 7th ultimo, having been laid before His Excellency the Governor General in Council, I am directed to state in reply that His Excellency in Council approves of the arrangements that have been made with the Madras Bank, consequent upon the transfer of the Treasury business and introduction of the New Paper Currency; but it appears to His Excellency in Council that the probable demand for the new Notes is likely to be considerably in excess of the 25 lacs, which you state has been estimated for.

2. The increased establishment required for the Mint at a cost of Rupees 327 per mensem is sanctioned, and His Excellency in Council approves of the Government of Madras having authorized the entertainment of the nine additional hands in anticipation of this sanction; but it will be necessary for you to report the date on which they were entertained, in order that the precise amount of the additional charge for the unexpired portion of 1861-62, may be added to the Budget.

3. The increased salary applied for by the Mint Master on behalf of himself and of his Bullion keeper and the latter's Assistant is also sanctioned, upon the strong recommendation conveyed in your letter, it being understood of course that the additional expense on this account amounting to Rupees 370 per mensem, will reckon from the 1st instant, the date on which the new arrangements came into effect.

	Present scale.	*Proposed scale.*

Bullion keeper...	140	200
Assistant do. ...	40	100
