MADRAS, POLICE COMMISSIONER'S OFFICE, *24th February* 1862.

(Signed) W. J. WILSON,
Commissioner of Police.

ORDER, No. 1069, *24th March* 1862.

Ordered that the Estimates submitted with the foregoing letter be communicated to the Commander-in-Chief, and to Departments for information.

2. Referring to the views expressed in paragraph 1 of the Order of Government marginally noted, the Governor in Council is not prepared to incur any extra expenditure in hiring Police, except in cases where the duties in question, which are all in some measure connected with the Military Establishment, are of so onerous a character as to press unfairly on the Soldier, or to prove injurious to discipline.

No. 4712, *dated 20th December* 1861.

3. Where this may be the case, sanction will be given for the substitution of Police for Military Guards on the special representation of the Commander-in-Chief, and His Excellency in Council is of opinion that where such relief may be considered necessary, it should in the first instance, be restricted to the custody of Commissariat Stores and Godowns, leaving the other duties to be performed by the Troops, as at present.

4. Ordered that these Proceedings be forwarded to the Government of India, in continuation of former correspondence on the subject.
