Public Works Department.

With reference to the Resolution* of Government under date the 18th September 1861, I have the honor to state that a considerable saving has been effected from the total sum† allotted in the Budget of 1861-62 for Establishments and Contingencies, by the retirement of the late Chief Engineer Colonel Henderson, and this I propose to redistribute providing for certain increases consequent on promotions and transfers of Officers in the Hyderabad Circle, as well as for deficiencies which have been found to exist in the sum set down in the Budget on Account of Contingent expense lists. The remainder I propose to allot to the Divisions for such petty works as are very emergent and for which no funds are available.

2. I beg to enclose two Statements as per margin‡ illustrative of the increase and decrease on the Budget allotment of 1861-62, from which you will observe that the sums which will be available at the close of the current year will be Rupees 5,396 and the distribution which I propose is as follows:

|---|---|---|
| *" Imperial Government."* | | |
| Contingencies, Central Office ..... ... ... | Rs. | 520 |
| Do. Executive Divisions... ... ... | ,, | 833 |

3. An increase of the Office Establishment having been sanctioned by Government, the late Chief Engineer in the early part of 1861, ordered the Executive Engineer Secunderabad Division to prepare certain furniture for the use of his Office, Bills for which have just been presented amounting to Rupees 410, and as there are no funds remaining available from the Budget allotment of 1862 to liquidate this sum, I have made a sufficient allotment to the Contingencies of the Central Office to do so now.
