*Proceedings of the Madras Government, Financial Department,
14th April 1862.*

No. 46. Read the following letter from F. LUSHINGTON, Esq., Acting Accountant General; to the Honorable T. PYCROFT, Chief Secretary to Government, Fort Saint George, dated 4th April 1862, No. 360.

1. With reference to the Order of Government, dated the 17th ultimo, No. 591, Revenue Department, and to the remarks contained in the XI Clause, I have the honor to report, that under the new system of account introduced from the beginning of the current official year, the Prospective or Sketch Estimate of receipts and disbursements has been discontinued under Orders of the Government of India quoted in the margin.*

2. The Anticipation Sketch Estimate has been superseded by the Estimate of Cash requirements which follows the Budget Estimates within a fortnight or three weeks.

3. The Regular Estimate though discontinued under the orders above referred to, was revised under orders of the Secretary of State contained in his Despatch No. 129 of 1861, dated 9th August, and this Estimate was prepared for 1861-62, and submitted to the Government of India on the 9th December last. But in the Proceedings of the Government of India, dated 6th January following No. 126, paragraph 21, it has been, for reasons therein stated, again discontinued.

4. As regards the Comparative Statement,† no allusion whatever having been made regarding it in the Report of the Budget and Audit Committee already referred to, a reference was made by Mr. Harrison to the Financial Secretary to the Government of India, under date the 22nd February 1861, requesting authority to discontinue the Statement and the Report and Appendices connected therewith, to which no reply having been received, a further reference was made by me under date the 5th October last, for permission to discontinue the Statement, in consequence of the great pressure of work in this Department, or if the Statement be necessary, to discontinue the Report and Appendices; to this communication also no reply has been received. I may however add that a Telegram, dated the 21st January last, was received from the Financial Secretary to the Government of India for brief explanation of the material differences between the actual receipts and charges of 1860-61 compared with the Regular Estimate of that year and between that year's Actual and the Actual of 1859-60. The necessary explanation, with Tabular Statement, on account of the receipts was forwarded by the last Mail Steamer, and the Statement as well as the explanation on account of the charges is under preparation for transmission, if possible, by the next Mail Steamer.

Transferred to the Financial Department.

(Signed) C. G. MASTER,
Deputy Secretary.

No. 47. ORDER THEREON, 14th April 1862, No. 285.

It is observed that two of the Returns referred to have been discontinued under orders of the Government of India, and one has been superseded by the Estimate of Cash requirements. In regard to the remaining Return, viz., Comparative Estimate of Receipts and Disbursements, the Accountant General awaits the instructions of the Government of India, to whom he has referred the question of discontinuing the Statement.

(Signed) T. PYCROFT,
Chief Secretary.

To The Honorable J. Dyer
Chief Secretary to Government

Sir,
1. With reference to the order of Govern-
ment dated the 17th ultimo & 1867 Revenue
Department, and to the remarks contained in the
XI clause, I have the honor to report that un-
der the new system of account introduced from
the beginning of the current official year the Pros-
pective or Sketch Estimate of receipts and dis-
bursements has been discontinued under orders
of the Government of India quoted in the
margin.

Gazette dated 26th Sept.
1867.

2. The Anticipation Sketch Estimate
has been superseded by the Estimate of Cash
Requirements which follows the Budget Estimates
within a fortnight or three weeks.

3. The Regular Estimate, the discontinued
under the orders above referred to, was revised
under orders of the Secretary of State contained
in his Despatch No 129 of 1865 dated 29th August,

and

and this Estimate was prepared for 1861/62
and submitted to the Government of India on the
9th December last. But in the Proceedings of the
Government of India dated 6 January follow-
ing, it is stated, that it has been for reasons
therein stated, again discontinued.

As regards the Comparative State-
ment, no allusion whatever having been made
regarding it in the Report of the Budget and Audit
Committee already referred to, a reference was
made by Mr. Harnden to the Financial Secre-
tary to the Government of India, under date
the 22nd February 1861, requesting authority to dis-
continue the Statement and the Report and
Appendix connected therewith, to which no reply
having been received, a further reference was
made by me under date the 5th October last,
for permission to discontinue the Statement,
in consequence of the great pressure of work in
this Department. As of the Statement the neces-
sary to discontinue the Report and Appen-
dix, to that communication also no reply
has been received. I may however add that
a Telegram dated the 21st January last was
received from the Financial Secretary to the
Government of India for brief explanation
of the material differences between the actual

The female with the best record of production by full siblings has been used to make the new system of breeding the population so efficient. It is being estimated that some 1000 to 1500 males of the first of these full siblings have been produced from about 1000 females of the same type. The estimated cost of such a program for the year 1960 is \$100,000.00. It is hoped that we can make some headway in the near future in the use of the new system of production.
