*Proceedings of the Madras Government, Financial Department,
15th April 1862.*

No. 48. Read the following letter from F. LUSHINGTON, Esq., Acting Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 7th April 1862, No. 365.

Revenue Department.

I have the honor to acknowledge the receipt of the Proceedings of Government in the Financial Department, No. 99, dated the 4th February last, and to state, in reply to the first enquiry therein made, that the measures in operation for the circulation of Copper Coin in the Provinces, still continue to be those, which are detailed in the report of my predecessor, No. 48, dated the 31st May 1860, and approved in the Order of Government, Financial Department, No. 280, dated the 12th June following; the Collectors and other Treasury Officers continuing to submit Indents annually of their requirements.

2. I beg to submit in detail, a Statement of Copper Coin despatched during the past Calendar year, from the late General Treasury, to Treasuries in the Mofussil, and to other Governments, showing a total issue during that period, of Rupees 5,57,500, and exhibiting, the Districts or Governments to which the Coin was supplied, and the mode of conveyance, as required by Government.

3. With regard to the enquiry made by Government, respecting the amount of Copper taken by the Railway Companies, under the discretion allowed them, in the Government Order No. 43, dated the 26th January 1859, I beg to observe, that no separate account of the supply made to the Railway authorities has been furnished by Treasury Officers, nor indeed does such seem necessary; since they, with the rest of the Public, appear to have had their wants fully met, under the arrangements in operation; as not a single complaint has been made by them, of an insufficiency of supply of the Coin in question. I beg, in conclusion, to remark, that a Circular has been just issued to all Treasury Officers, requiring them to Indent for a further supply of Copper beyond their usual Indent, in reference to the large stock now in store.

Memorandum of Copper Coin issued from the General Treasury at Fort Saint George, to the undermentioned Collectors, and to other Governments, during the past Calendar year 1861, for circulation.

FORT SAINT GEORGE,
Accountant General's Office,
7th April 1862.

(Signed) F. LUSHINGTON,
Acting Accountant General.

Proceedings of the Madras Government, Financial Department,
15th April 1862.

No. 49.

ORDER THEREON, 15th April 1862, No. 288.

The Government observe that the amount of small Copper Coins issued to some Districts, as for example Kistna and Coimbatore, seems to be very much below what must be required for circulation in those Districts. The Accountant General should call the attention of the Collectors to this, and require them to make greater exertions for promoting the circulation of small Coin.
