*Proceedings of the Madras Government, Financial Department,
30th April 1862.*

No. 109. Read the following letter from the Honorable E. DRUMMOND, Officiating Secretary to the Government of India, Financial Department; to the Secretary to the Government of Madras, dated Fort William, 3rd April 1862, No. 2,185.

I am directed to acknowledge the receipt of your letter No. 147, dated the 17th February last, forwarding for consideration and orders a copy of a letter from the Sub-Treasurer, Madras, relative to the reduction of the Treasury Establishment on the transfer of the business to the Madras Bank, and requesting that the Government of Madras may be favored with more explicit instructions in respect to the adjustment of the claims to pension of those individuals belonging to the Treasury who may take service in the Bank.

2. In reply, I am desired to observe that, in Calcutta, those members of the Sub-Treasurer's Office Establishment, who had served long enough to be entitled to pension on the transfer of the Treasury duties to the Bank of Bengal have been reported to Government for pensions, and those who had not, for gratuities, under the ordinary rules; and that His Excellency the Governor General in Council is not aware of any case having been exceptionally treated.

3. With respect to re-employment in the Bank, or elsewhere, this Government will not interfere, and if there be any special reason, why, in such case, any of the persons re-employed should be allowed pensions or gratuities, the Government will be prepared to take into consideration any special report that may be submitted on their behalf.

4. His Excellency in Council sees no objection to any of the Office servants, Peons, &c., being recommended for re-employment, if their services are required, and if their past services in the General Treasury were such as to deserve it.

5. His Excellency in Council awaits the detailed report promised by the Officiating Sub-Treasurer, in paragraph 5 of his letter to your address.
