*Proceedings of the Madras Government, Financial Department,
3rd May 1862.*

No. 8. Read the following letter from F. LUSHINGTON, Esq., Acting Accountant General; to the Honorable T. PYCROFT, Chief Secretary to Government, Fort Saint George, dated 25th April 1862, No. 389.

Budget and Finance Department.

1. With reference to the Order of Government dated the 15th ultimo, No. 211, Financial Department, sanctioning the entertainment by me for three months of a temporary Establishment at Rupees 165 per month for copying 15 sets of the Budget Estimate for 1862-63, I have the honor to report that instead of copying the figures and the remarks in the blank printed forms as was originally intended, I considered it better to reprint the Budget with figures and remarks, leaving out the blank pages inapplicable to this Presidency, but which were required in the copies submitted to the Government of India and to the Auditor General of India. I was also induced to adopt this alternative of reprinting the Estimates in question, with the view of making the

changes ordered in the accompanying Telegram* received from the Auditor General of India. The work has been performed in the Press Department of this Office with the aid of extra Compositors &c., the result is a saving

in the amount sanctioned by Government of Rupees 155-10-0 as shown in the annexed Memo. besides adding a sum of Rupees 119-6-0 to the stock value of printing materials of this Office, which is the cost of 100 lbs. of Long Primer Quadrats and 20 dozens of Brass Rules which were purchased and were required to carry on the work expeditiously. Both the permanent and temporary Press Establishment worked at extra hours, in order to turn out the work as early as possible as the Civil Paymaster required these Estimates in time to allow him to open out Registers, to pass the charges for the current month, early in next month.

2. In conclusion I beg Government will be pleased to permit me to entertain permanently on the Establishment of this Office, whenever an opportunity may hereafter offer, without passing the Uncovenanted Service Examination, Mr. J. Croker a young man of European parentage, who was engaged by me in examining the proof sheets of the Budget Estimates, and who has been active and careful in the performance of the duties confided to him. He was employed in the Medical Department as Assistant Apothecary and resigned the service at his own request, as

Vide General Order by His Excellency the Governor, dated 26th July 1861.

* To be returned.

will be seen from the G. O., quoted in the margin and Circular Memo. from the Secretary to the Principal Inspector General Medical Department No. 1,011, dated 18th June 1861, copy of which latter is enclosed, as also original* testimonials granted to him by his Official superiors.

MEMORANDUM.

Amount sanctioned by Government under date the 15th March 1862 for copying the Budget Estimates at 165 Rupees per month for three months	Rs. 495 0 0
Wages of extra Compositors, Examiners and Calculator for one month.	Rs. 220 0 0
Value of 100 lbs. of Long Primer Quadrats and 20 dozens of Brass Rules	Rs. 119 6 0

No. 9. ORDER THEREON, 3rd May 1862, No. 330.

As requested by the Accountant General in paragraph 2 of his letter, the Government authorize the employment of Mr J. Croker on his Office Establishment, but on the condition of his passing at the next Uncovenanted Service Examination, which, considering the education he has received, he ought to have no difficulty in doing.

From J. Lushington Esq^r
Acting Account General
To The Honorable J. Sycroft
Chief Secretary to Government

Sir,

1. With reference to the order of Govern-
ment dated the 15th Ultimo No 211 Financial
Department, sanctioning the disbursement by
me for 3 months of a temporary Establishment
at Rs 165 per month for copying 15 sets of the
Budget Estimate for 1862/63, I have the honor
to report that instead of copying the figures
and the remarks in the blank printed forms
as was originally intended, I considered it better
to reprint the Budget with figures and remarks,
leaving out the blank pages inapplicable to this
Presidency, but which were required in the
Copies Submitted to the Government of India
and to the Auditor General of India. I was
also induced to adopt this alternative of reprint-
ing the Estimates in question, with the view of
making the changes ordered in the accompanying
Telegram received from the Auditor General of
India. The work has been performed in the

Press Department of this Office with the aid
of Extra Compositors &c., the result is a saving
in the amount sanctioned by Government of
Rs 155.10-0 as shown in the annexed Memo. be-
sides adding a sum of Rs 119.6-0 to the stock
value of printing materials of this Office, which is
the cost of 100 lb of Long Primer quads and
20 dozens of brass rules which were purchased
and were required to carry on the work expeditious-
ly. - Both the permanent and temporary Press
Establishment worked at Extra hours in order to
turn out the work as early as possible as the
Civil Paymaster required these Estimates in
time to allow him to open out Registers, to pass
the charges for the current month, early in next
month.

2 In conclusion I beg Government
will be pleased to permit me to intertain perma-
nently on the Establishment of this Office, when-
ever an opportunity may hereafter offer, without
passing the Unconvenanted Service Examination,
Mr J Croker a young man of European
parentage, who was engaged by me in examining
the proof sheets of the Budget Estimates, and
who has been active and careful in the perfor-
mance of the duties confided to him. He was
employed in the Medical Department as
Assistant Apothecary and resigned the Service
