*Proceedings of the Madras Government, Financial Department,
6th May 1862.*

No. 22. Read the following:—

FORT WILLIAM, FINANCIAL DEPARTMENT, THE 31st MARCH 1862, No. 2,464.

CIRCULAR MEMORANDUM.

His Excellency the Governor General in Council observes that, in most instances, applications for additional grants to the Budget are sent in, without its being stated in them to what heads of service those grants appertain; and in not a few cases, they are, when sanctioned, classified differently in the Financial Department and the different Offices of Account concerned. The consequence is that the Registers of additional grants kept in the Offices do not agree, and much confusion ensues.

2. With a view to prevent this confusion, His Excellency in Council directs that every Officer applying for a grant subsequent to the sanction of the General Annual Budget shall invariably specify in his application the class of service for which the grant is required.

3. The Financial Department will, after approval or correction, if necessary, of the classification given, note the Budget head in its orders, intimating sanction of the charge to the Auditor General of India and the Deputy Auditor and Accountant General concerned.

4. Whenever doubts are entertained as to the correctness of the classification adopted by the Financial Department, such doubts must at once be communicated to that Department by the Auditor General, or by the Deputy Auditor and Accountant General concerned, through the Auditor General, with a view to the correction of the classification, if necessary.

Copies to the several Departments, Governments, Administrations, Auditor General, Accountant General, and the several Deputy Auditors and Accountants General.

Officiating Secy. to the Govt. of India.
