*Proceedings of the Madras Government, Financial Department,
10th May 1862.*

No. 34. Read the following letter from the Honorable E. DRUMMOND, Officiating Secretary to the Government of India, Financial Department; to the Secretary to the Government of Madras, dated Fort William, Council Chamber, the 31st March 1862, No. 2,494.

Financial Department.

I am directed to acknowledge the receipt of your letter, No. 150, dated the 18th February last, and its annexure, stating that the introduction of the Calcutta premelting system into the Mint at Madras could not fail to give dissatisfaction, if it were not accompanied by some compensating advantage such as is prescribed in the new Paper Currency Act of making the Mint Certificates payable at sight, instead of at 30 days, as at present; and that under such change in the mode of payment, it does not appear that the additional impost would be objected to.

2. In reply, I am desired to inform you that, under the circumstances stated, the Governor General in Council is pleased to authorize the Mint Certificates at Madras being made payable at sight (as at Calcutta,) on the understanding that the premelting system will be introduced into the Madras Mint.

No. 35. ORDER THEREON, 10th May 1862, No. 347.

Communicated to the Mint Master with reference to his letter, dated 7th February last, No. 282. The Government authorize the Mint Certificates at this Presidency being made payable at sight, as at Calcutta, on the understanding that the premelting system will be introduced into the Mint.

Acting Chief Secretary.
