*Proceedings of the Madras Government, Financial Department,
20th May 1862.*

No. 87. Read the following letter from H. A. MANGLES, Esq., Acting Accountant General; to the Acting Chief Secretary to Government, Fort Saint George, dated 14th May 1862, No. 18.

Resource Department.

I have the honor to acknowledge the receipt of the Order of Government, No. 262, Financial Department, dated the 5th ultimo, with copy of the Proceedings of Government in the Military Department therein referred to.*

2. In reply I beg to state that the case brought to notice in those Proceedings, by the Collector of Nellore is quite an exceptional one; and as the requisite advances to troops prior to their march are invariably made by the Military Department, a similar case can occur but rarely. It does not appear to me therefore to be necessary to make any special provision for such cases, particularly, as it can seldom happen that a Sub, or Assistant, Collector would not be able from the funds at his disposal to meet applications for such small amounts as are likely to be required on occasions of the nature of that under reference.

3. It is an object, moreover, not to add to the permanent advances, which are already large.

No. 88. ORDER THEREON, 20th May 1862, No. 381.

Communicated to the Military Department with reference to paragraph 2 of the Proceedings in that Department, dated 28th March last, No. 1,149.

(Signed) A. J. ARBUTHNOT,
Acting Chief Secretary.
