*Proceedings of the Madras Government, Financial Department,
24th May 1862.*

Read the following papers:—

No. 100. From Mr. H. BUCHAN, Executor to the Estate of the late G. M. A. STOREY, Esq.; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated 29th April 1862.

I have the honor to submit for the consideration of Government the accompanying copies of communications relative to a Government Promissory Note, No. 31,910 of 1841-42, belonging to the Estate of a Mr. G. M. A. Storey, and which I found missing on taking charge of his effects, and to this time is still so.

From the correspondence you will perceive that the interest last paid thereon was to the deceased and myself, and as after the lapse of so many years, no reasonable hope of its turning up can now be entertained, I therefore respectfully request you will be so good as to obtain the authority of Government for the re-issue to me of another Bond of 1,000 Rupees in substitution of the missing one described above, as also for the payment of interest unrealized, viz., at 5 per cent. after the date to which interest had been drawn (being 30th June 1852) up to the period of conversion of that paper from 5 to 4 per cent., and likewise such interest as may be due at 4 per cent. from the latter period.

Referred to the Accountant General for report.

(Signed) A. J. ARBUTHNOT,
Acting Chief Secretary.

FORT SAINT GEORGE,
1st May 1862.

No. 101. From H. A. MANGLES, Esq., Acting Accountant General; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 17th May 1862, No. 21.

Bond Department.

I have the honor to acknowledge the receipt of the Order of Government received on the 2nd instant, referring to this office for report, an application from Mr. H. Buchan as Executor to the Estate of a Mr. G. M. A. Storey to be furnished with a duplicate of the Promissory Note described in the margin stated by him to have been lost.

2. The Proprietor of a lost Government Security is required to intimate to this Office, and advertize such loss in the Official Gazette in three distinct issues. Two years after date of the last advertisement of loss, an application fully stating the circumstances of the case should be addressed to the Secretary to Government of India in the Financial Department through the Chief Secretary, Fort Saint George. If the application be favorably entertained by the Government of India, the required Duplicate will be issued on the execution of a Bond of Indemnity, (prepared by the Government Solicitor) supported by two respectable and approved Sureties, holding Government harmless against loss in the event of the production hereafter of the original Promissory Note.

3. The last interest paid at this Presidency on the said Note was for the 22nd half year or up to 30th June 1852 to Messrs. G. M. A. Storey and H. Buchan. The Promissory Note in question was under the Notification of the Government of India, dated 28th October 1853, notified for discharge, and appears by the Registers of this Department of the Loan of 30th June 1841 to be still outstanding. On the duplicate being issued, interest up to date of discharge viz., 30th January 1854 will be passed for payment at Madras, and the Principal thereof at Calcutta. The Principal of the Note cannot now be transferred to the 4 per cent. loan of 30th June 1854, as the transfer of Notes of the 5 per cent. loan of 30th June 1841 to the 4 per cent. loan of 30th June 1854, ceased on the 30th January 1854, under the provisions of paragraph 2 of the Notification above referred to.

Meeting of the Madras Government, Financial Department,

Sir,
I am much obliged for the information
conveyed in the letter from your office under
date the 9th Instant but as there appears to be a
mistake

* In paper with me \$31,200 of the 5 per Cent Bond of 1821/42 is for \$10,000 which is in letter from your office is said to be for \$200

mistake regarding the 5 per Cent Government Bond for \$10,000 after which I made inquiry and in order to the tracing out of the correct number as well as what has become of it I will thank you to let me know

If since March 1849 Interest was ever drawn on a 5 per Cent Government Promissory Note for \$10,000 under the joint signatures of the late Mr. Story and mine or that of the former only - and what to do?

Under whose signature Interest was last drawn on the said Note?

If the said Government Note has been transferred into the 4 per Cent loan - in whose name and by whose authority?
