Proceedings of the Madras Government, Financial Department, 26th May 1862.

No. 109. Read the following letter from H. A. MANGLES, Esq., Acting Accountant General; to the Acting Chief Secretary to Government, Fort Saint George, dated May 1862.

Book and Adjustment Department.

In continuation of my predecessor's letter No. 5, dated 3rd instant, in which, he recommends that all Collectors should be directed to receive Notes in their Hoozoor Treasuries, in payment of Government dues of every description; I have the honor to enclose copy of a letter from the Collector of the Kistna District, pointing out the inconvenience to the public, if these Notes are not received at the Treasuries of his district, in payment of revenue.

2. It is requested that the decision of Government may be forwarded to this Office, for the information and guidance of the Collector.

From G. THORNHILL, Esq., Collector of Kistna District; to the Accountant General, Fort Saint George, dated 9th May 1862, No. 9.

I have the honor to state, that a large number of Paper Currency Notes has been received in this place, the holders of which, are unable to dispose of them readily, because they are not receivable as revenue at the Hoozoor or Talúq Treasuries of this district. It would be a great convenience to the public, if these Notes were allowed to be received at the Treasuries of this district in payment of revenue or other demands; and I have the honor to request, that you will be good enough to inform me, whether they can be so received, and to what extent.
