No. 125. Read the following letter from H. A. MANGLES, Esq., Acting Accountant General; to the Acting Chief Secretary to Government, Fort Saint George, dated 26th May 1862, No. 34.

Book and Adjustment Department.

In continuation of my letter, No. 371, dated 10th ultimo, I have the honor to submit, for the information and Orders of Government, a Statement of Miscellaneous Advances, which have been outstanding for more than one year, in the accounts of the Collector of Cuddapah.

No. 126. ORDER THEREON, 30th May 1862, No. 414.

Ordered that the Statement be forwarded in original to the Collector of Cuddapah, and that he be directed to take immediate steps for the adjustment of the outstanding advances, and report to Government what he has done in pursuance of this Order.

From,

To,

A<sup>d</sup> Accountant General,  
Fort St. George.

Sir,

In reply to Mr. Lushington's  
Memorandum of the 13<sup>th</sup> Instant N<sup>o</sup> 203, I have  
the honor to state that Captain Mitchell's  
Military Pay has never been drawn through  
my Office.

2. I have ascertained that when it was  
drawn in the Military Department the  
Abstracts were passed and paid on the  
Counter signature of the Brigade Major, but it  
appears that since Captain Mitchell has  
received his Pay from the Civil Department  
his Abstracts have been passed to him direct  
without any Counter signature, and without  
my intervention in any way, and consequently  
it never occurred to me to make any provision  
for such a Charge in the Police Budget.

3. I submit for your consideration that  
Bills for all Charges for which the Head of

a Department is expected to provide should be presented through that Head.

4. The sum of Rupees 4,500 has been set apart in order to meet Casualties amongst the Horses of the Troop, and I think the Charge may probably be met from that source.

5. It is also likely that in consequence of the recent alterations in the Criminal Law the number of persons sentenced to transportation will not be so large as was anticipated and a saving may therefore be looked for under that Head.

I have the honor to be

To,  
A. J. Arbuthnot Esq<sup>r</sup>  
Acty Chief Secy to Gov<sup>t</sup>

Sir,

1. With reference to the order  
of Government N<sup>o</sup> 348 dated the 10<sup>th</sup> Inst,  
Financial Department I have the  
honor to state that having made a  
reference to the Commissioner of Police  
to ascertain why Capt<sup>l</sup> Mitchell's  
Mounted Police Regimental allowances have not been  
provided for in his Budget Estimate  
for 1862/63, that Officer states in reply  
that Capt<sup>l</sup> Mitchell's Military Pay  
has hitherto <sup>never</sup> been drawn through his  
Office, & that where it was drawn in  
the Military Department, the Abstracts  
were

were passed and paid on the Counter-  
signature of the Brigade Major and  
that since he has received his Pay  
from the Civil Department his Abstracts  
have been passed to him direct without  
any countersignature and without  
his intervention in any way & Con-  
sequently it never occurred to him  
to make any provision for the Charge  
in the Police Budget. He suggests  
that Bills for all Charges for which the  
Head of a Dept. is expected to provide  
should be presented through that  
Head, a suggestion which seems  
to me proper and should be generally  
adopted.

2. I have addressed a Com-  
munication to the officiating Civil  
Paymaster to ascertain whether the  
Regimental allowances of any other  
Officers in Civil employ has been  
admitted to be provided in the Civil  
Budget, and also whether the pay  
proper on Military subsistence of  
any Officer of the Staff Corps in Civil  
employ. <sup>It is de-</sup>  
<sup>bitable under</sup>  
<sup>present orders,</sup>  
<sup>to the Civil</sup>  
<sup>Dept.</sup>

employ, has been admitted to be provided  
in the Civil Budget and so soon as  
a reply shall have been received, &  
measures will be adopted to submit  
to Government a Supplemental Budget  
Abstract, as directed in the above  
Orders.

3. I beg to enclose Copy of Major  
Wilson's letter as mentioned in  
which he states that the Regimental  
allowances of Capt. Mitchell, Vist.  
The Regimental Re, 2,128 (and not Re 1380 per annum,  
allowances of a Lieut. as entered in the order of Government  
under reply) can be met out of  
Included in savings in the sum of Re 4,500 set  
apart to supply casualties amongst  
the horses. It cannot, however, be  
met from the expected savings al-  
luded to in the concluding para-  
graph of his letter, as the amount is entered  
in the Budget under the head "Law and  
Justice" & not "Police."

I have the honor to be  
Yours most Obedt Servt,  
B. Mangles

| Unadjusted, pending the instructions of the Accountant General. | These sums were advanced from the Taluqs of Duparad and Cumburn, in the Cuddalore District, before they were transferred to the Kurnool District. The Collector of the former District, states, that, they should be adjusted by that of the latter, as the Taluqs from which the advances were made, were transferred to him; the Collector of Kurnool, on the other hand observes, that they should be adjusted by the Collector of Cuddalore, as the sums were advanced before the transfer of the Taluqs took place. After much correspondence, the amount has been reduced to Rs 25, which remains unadjusted. The Collector of Cuddalore has again been called upon, on the 11 <sup>th</sup> April 1862, to furnish this Office with a receipt for that amount, but no reply has been received up to this date. |   |
