*Proceedings of the Madras Government, Financial Department,
14th January 1862.*

No. 57. Read the following letter from Captain C. S. HEARN, Acting Inspector General of Madras Police; to T. PYCROFT, Esq., Chief Secretary to Government of Fort Saint George, dated 19th December 1861, No. 2,100.

Account Department.

In pursuance of Order of Government, No. 594, dated 2nd December 1861, Financial Department, I have the honor to submit herewith the Budget Estimate of the Madras Police for the year 1862-63.

No. 58. ORDER THEREON, 14th January 1862, No. 41:

Resolved that the above Estimate be forwarded to the Accountant General.

2. It is observed that the present Estimate provides for the Constabulary Force at its full sanctioned strength, inclusive of Officers' salaries of all grades, and that it has been framed on the assumption that the new Police will be completely introduced into all Districts of the Madras Presidency by the 1st May next.

3. The total pay of the men and Officers is Rupees 32,90,630.

The Miscellaneous charges, viz:

Travelling allowance, Clothing, Arms, Equipment, &c., Building, other items,	
Rent, &c.....	6,43,780
Village Police.....	1,86,200

Total..... 41,20,610.

4. This exceeds the Estimate of 1860-61, or Rupees 38,24,620, in the sum of Rupees 2,96,000. The causes of this increase are explained by the Inspector General in his notes on the principal items, given in the column of remarks.

5. From this must however be deducted the pay and other charges of that part of the Constabulary, as originally sanctioned, which is employed on special duty in the Revenue, Jail, Military and other Departments. The amount Rupees 2,72,490 will be charged against the Departments to which it pertains. The total cost of the Police Force proper, or that employed on General Police duties will then stand at Rupees 38,48,120.

6. Again it has been finally decided that the Province of North Canara is to be transferred to the Presidency of Bombay. The cost of the North Canara Force Rupees 1,81,050 or deducting the cost—Rupees 8,250—of the Constabulary to be supplied to other Departments, Rupees 1,72,800 must therefore be excluded from the Estimate. This will reduce the total expense of the Police proper from Rupees 38,48,120, to Rupees 36,75,320.

7. An item of Rupees 1,67,000 is entered for lodging, building and furniture. So much of this sum as relates to the construction, repair or purchase of buildings, must be provided for in the Public Works Budget. The Inspector General will report direct to the Accountant General the sums which should on these accounts be transferred to the Budget of the Public Works Department.

8. The Estimate for Village Police is Rupees 1,86,200, but of this Rupees 72,760 is for old charges in the Tanjore and South Arcot Districts which have been continued. The net new charge is therefore only Rupees 1,13,440. It is observed that no more expense will be incurred within the year on account of the Village Police, unless it can be defrayed from local funds to be henceforth made available, such as Police cesses, or commutation of Police enams.

Chief Secretary.
