FINANCIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India; to His Excellency the Honorable the Governor in Council, Fort Saint George, dated London, 30th April 1862, No. 25.

I have to acquaint you that the Indent No. 2, dated the 13th February last, for Stores required for the Mint at Madras, will be complied with. In the column of remarks, the words "not required" are placed against 1,000 sheets of Copper $\frac{1}{8}$ inch thick, but as no Copper is required by this Indent, it is supposed the remark refers to the Indent for Mint Stores, dated the 9th February 1861, in which Copper sheets to that extent were requested. These were however shipped in November last for your Presidency per the "Warren Hastings."

ORDER THEREON, 13th June 1862, No. 443.

Ordered that a copy of the foregoing Despatch be furnished to the Mint Master, who will state what he purposes to do with the 1,000 sheets of Copper which have already been supplied, but which are said to be not required for the Mint.
