*Proceedings of the Madras Government, Financial Department,
24th June 1862.*

No. 78. Read the following letter from A. WEDDERBURN, Esq., Collector of Cuddapah; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated Muddenpully, 6th June 1862, No. 20.

In reply to the Order of Government, dated 30th May 1862, No. 414, directing me to take immediate steps for the adjustment of the outstanding advances, and to report what I have done in pursuance of this Order, I have the honor to inform Government with reference to the items noticed by the Acting Accountant General in the original Memorandum, herewith returned, that the first item Rupees 112, value of land purchased for the District Engineer's Office, has recently been adjusted by the District Engineer having refunded it.

2. The 2nd item Rupees* 821-15-3, charges incurred for Railway lands, is composed of sundry small sums, undischarged, on account of the non-appearance of the claimants. I regret that the Deputy Collector, who forwarded the explanation in his monthly account, was not more explicit. I shall publish the various sums in the District Gazette, and carry them to account if they are not claimed within a certain date, if Government so order, and afterwards if the claimants appear, subsequent sanction will have to be applied for. That these sums were not disbursed, is not the fault of this Department, but of the absence of the parties interested.

"	25	8	6
"	582	15	0
"	13	8	0

3. The 3rd item Rupees 30, I awaited the Accountant General's decision upon and when he informed me in letter of 11th April 1862 that this Treasury was expected to account for it, I at once wrote to the District Engineer on the 16th idem either to recover the advance, or to get sanction to write it off as irrecoverable. I reported this to the Accountant General on the 28th May 1862.

4. The last item Rupees 1,414-12-9 has already been settled after explanation from Kurnool, and the Accountant General admits the same by his reference to Rupees 25 alone, the unrecovered portion of the Rupees 30 the above advance to a deceased or dismissed Overseer of the Department Public Works. It is re-entered, because the two last amounts are in one Bill.

No. 79.

ORDER THEREON, 24th June 1862, No. 466.
