Marmalong bridge at 10½ Rupees a
month the duty having been transferred
from the Engineers to the Collectors
Department in February last. The
Board believe that the necessary pro-
-vision must have been made for the
charge in question in the Budget of
the Public Works Department; and as a
transfer of the same from this to the
Revenue Budget will be sufficient to
enable the Collector to incur the charge,
the Board request that Government
will be pleased to authorize the neces-
-sary transfer to the Revenue Budget
of 1862-63. The Board are not in pos-
-session of the correspondence referred to
by the Collector and they are therefore
not aware of the grounds on which
the duty of lighting the Marmalong
Bridge was transferred to the Collectors
Department.
