Proceedings of the Madras Government, Financial Department, 6th August 1862.

No. 20. Read the following letter from H. A. MANGLES, Esq., Acting Accountant General; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 25th July 1862, No. 127.

Bond Department.

Adverting to the last paragraph of letter from this Office to your predecessor's address, dated 17th January 1860, No. 397, I have the honor to bring to the notice of Government, that the information therein conveyed, viz., that interest on Government Promissory Note, No. 6,200, for Sicca Rupees 5,600 of 1825-26, had been paid up to 11th November 1831, is incorrect. On a strict search into all the Registers of the loan concerned, I find that this Note was paid off by transfer to D. Brakenridge, Esq., with interest up to 7th September 1853, the date on which interest on Promissory Notes of the loan of 18th August 1825, under the Notification of the Government of India, dated 6th January 1853, ceased.

2. I have further to state that the error in question arose from the omission (by this Department in 1831-32) of a Note in the Register of the loan of 18th August 1825, to the effect that the Note in question after payment of interest up to 11th November 1831, had been forwarded to Bengal for renewal. This remark if entered would have led to a search for the second Registry of this Note after renewal, which contained particulars of further interest paid and its subsequent discharge. In the absence of such a remark in the Register, this Department, when called on by the Orders of Government of the 23rd December 1859 to report on Russool Beebee's application for a duplicate of the Note, concluded that the Government security was still outstanding and that interest thereon had only been paid up to 11th November 1831.

3. Russool Beebee consequently appears to have no claim to a duplicate of the Note in question, and if her application for a duplicate of the Note stated by her to have been lost is an honest one, I can but conclude that she has been robbed.

———

No. 20A. ORDER THEREON, 6th August 1862, No. 580A.

Resolved, that Russool Beebee be informed, in reference to her application for a duplicate of the Promissory Note No. 6,200, for Sicca Rupees 5,600 of 1825-26, that it has been discovered from the Registers of the loan in the Accountant General's Office, that the Note in question was paid off by transfer to Mr. D. Brakenridge, with interest to 7th September 1853, the date on which interest on Promissory Notes of the loan of 18th August 1825, ceased.

Ordered that the following letter be despatched.

Acting Chief Secretary.

2.
