*Proceedings of the Madras Government, Financial Department,
8th August 1862.*

No. 29. Read the following Proceedings of the Board of Revenue, dated 28th July 1862,
No. 4,876.

Read letter from B. CUNLIFFE, Esq., Collector of Madras; to W. HUDLESTON, Esq.,
Secretary to the Board of Revenue, Madras, dated Saidapet, 14th July 1862, No. 249.

1. Adverting to the 1st paragraph of the Board's Proceedings, dated 27th ultimo, No. 4,174, I have the honor to state that the allowances of the Talliars of Pulicat were charged to the Magisterial Department, previous to the abolition of the Police Amin Establishment at that station, and passed by the Civil Paymaster under the circumstances mentioned in the 3rd paragraph of my letter dated 27th March 1862, No. 87. These allowances cannot be disbursed from the sums provided for in the Budget for 1862-63, under the head II, Allowances and Assignments under Treaties and Engagements. As I am not able to say whether any saving can be effected under that head during the year 1862-63, I would suggest that it be met from the provision made in the Budget on account of Taluk Establishment under the head B. I, Land Revenue. There is already a saving from the pay of the Tahsildars of Madharantakam and Ponnari.

2. The charge, if the Board see no objection, will be debited under the head III, Allowances to District and Village Officers.

1. Submitted to Government with reference to the Board's Proceedings, dated 27th June 1862, No. 4,174. It appears from the Collector's letter that the allowances of the Talliars of Pulicat, which are payable in lieu of resumed privileges, and for which no provision was made in the Budget for 1862-63 on the supposition that they belonged to the Police Establishment, can be met from the savings in the Taluk Establishment. The Board accordingly request the sanction of Government for the disbursement of the allowances in question, amounting to 21 Rupees per month, from the savings alluded to by the Collector.

2. The charge must be debited to compensation in lieu of resumed lands, Offices, and Privileges 3 Miscellaneous under Allowances and Assignments under Treaties and Engagements.

No. 30. ORDER THEREON, 8th August 1862, No. 588.

Resolved accordingly that the pay of the Talliars of Pulicat be passed against the savings in the Taluk Establishment of the Madras Collectorate. The Accountant General will instruct the Collector as to the head under which the charge on this account should be provided for in the next Budget Estimate.
