PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Colonel W. I. BIRDWOOD, R. E., Chief Engineer, to the Secretary to Government, Public Works Department, dated Chepauk, 24th July 1862, No. 2,248:—

SIR,

1. With reference to the Orders of Government, No. 549, dated 24th March last, I have

- 1 Letter from District Engineer, Ganjam, No. 29, dated 17th May 1862, with five enclosures.
1 Letter from District Engineer, Vizagapatam, No. 311, dated 21st June 1862.
2 Memoranda from Accountant General, dated 11th March 1862, respectively.

the honor to report for their information that the several sums shown in the Accountant General's Memorandum of advances outstanding for more than one year in the Ganjam and Vizagapatam Districts, have been adjusted.

2. The advances on account of the Choultries in the Goomsur Maliahs (Ganjam District)

	RS.
Extract Minutes Consultation No. 149, dated 11th April 1855 (Political Department), for Choultries.....	1,650
Do. Schools	300
	1,950
Do. No. 191, dated 7th May 1855 (same Department), for Schools.....	50
Do. No. 1,267, dated 20th October 1856 (Public Department), for Schools....	100

were made under the sanction of Government marginally quoted, and with these are connected the advances made on account of the Khond Schools. The total sum advanced on account of these buildings was Rupees 1,715 of which Rupees 270 were refunded to the Treasury, Rupees 605 accounted for in a Bill sanctioned by this Office on the 31st May 1860, and the

balance, viz., Rupees 840, paid over to the Revenue Department and adjusted in its accounts for April last. The Accountant General's Memorandum is confined to the advances made on account of the Choultries of more than one year's standing, and therefore will not correspond with the foregoing Statement.

3. In the Vizagapatam District the advance for the construction of Pounds for stray cattle was made, under the orders of Government in the Judicial Department of the 23rd July 1858. The unadjusted balance against this item, viz., Rupees 65-1-9, has been returned to the Collector's Treasury, and the sum of the next two items, viz., Rupees 384, has been accounted for by a Bill, which was omitted to be furnished at the time the Bungalow furniture was supplied.

4. The two Memoranda from the Accountant General are herewith returned.

ORDER THEREON, 7th August 1862, No. 1,872.

Communicated to the Financial Department with reference to the Orders of Government in that Department, dated 20th March 1862, No. 219.
