*Proceedings of the Madras Government, Financial Department,
18th August 1862.*

Read the following papers :—

No. 57. From G. A. BALLARD, Esq., Collector of Malabar; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Calicut, 5th August 1862, No. 66.

I have the honor to request you will inform me if the Order of Government issued at page 177 of the Fort Saint George Gazette, applies to Currency Notes of the Bengal and Bombay Banks as well as to those of the Madras Bank.

2. As regards this District at any rate, I see no objection whatever to its including all Currency Notes. No increased risk, out of proportion to the increased number of Notes passing through the Treasuries, which increase would not be large, would be incurred, and certainly increased confidence and convenience would be ensured.

No. 58. From H. A. MANGLES, Esq., Acting Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 13th August 1862, No. 158.

I have the honor to submit for the Orders of Government a letter, in original,* from the Collector of Malabar, No. 3,432, dated the 5th instant, with draft of a Notice which he proposes, if sanctioned, to publish in his District Gazette.

2. My views on the indiscriminate and unrestricted receipt of these Notes have already been stated in my letter to Government, No. 134 of the 31st ultimo, submitting a similar proposal from the Resident of Travancore.

From G. A. BALLARD, Esq., Collector of Malabar; to H. A. MANGLES, Esq., Acting Accountant General, Fort Saint George, dated Calicut, 5th August 1862, No. 3,432.

I have already written to ask whether the Government Order, No. 559, dated 29th ultimo, regarding Currency Notes is intended to include those of the Banks of Bengal and Bombay, as well as those of the Madras Bank.

2. With reference to your Circular of the 31st July last, just received, I have the honor to submit a copy of a Notice I propose (with sanction) issuing in the District Gazette. I think it very desirable we should at once take a broad stand and receive in payment of dues, and cash and issue as our Treasuries admit all Currency Notes.

No. 59. ORDER THEREON, 18th August 1862, No. 608.

Resolved, that the Collector of Malabar be referred to the communication which the Accountant General was authorized under date the 30th June last to make to him, in reply to his reference for instructions regarding the receipt and issue of Bengal and Bombay Currency Notes; and that he be also furnished with a copy of the Order dated the 14th instant, No. 602, passed upon a letter from the Resident in Travancore and Cochin, submitted with one from the Acting Accountant General, dated 31st ultimo, No. 134.
