*Proceedings of the Madras Government, Financial Department,
27th August 1862.*

No. 91. Read the following letter from W. HUDLESTON, Esq., Secretary to the Civil Fund; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 22nd August 1862, No. 207.

I am desired by the Managers of the Civil Service Annuity Fund, to forward for submission to Government the accompanying copy of a letter from Mr. C. Whittingham, who was lately admitted to an Annuity of £500 under the Orders of Government, dated 26th October 1861, No. 523, and requests to be furnished with the Certificate necessary to enable him to draw the amount in England.

Mr. C. Whittingham originally applied to draw his pension in India through his Agents, and the Orders of Government was worded accordingly, but inasmuch as these pensions are a distinct charge on the State and not on the Fund and as no rate of exchange for their payment here in Rupees has been provided, the Managers submit that it is desirable to cancel the Order of Government already issued in this case, and to authorize them to comply with Mr. Whittingham's present request.

From C. WHITTINGHAM, Esq; to the Secretary to the Civil Fund, Madras, dated 17th July 1862.

I have the honor to inform you that on my forwarding to the Secretary of State for India, the permission of the Madras Government for my retirement from the Service and its Order admitting me to the benefits of the pension of £500 a year, I was informed that without the production of the usual Annuity Certificate, Sir Charles Wood must decline to comply with my request that the arrears of my Annuity from the 18th December last, might be paid to my Bankers Messrs. Coutts and Co.

I beg therefore you will be so good as to furnish my Agents Messrs. Arbuthnot and Co. with the required Annuity Certificate that they may transmit it to me.
