*Proceedings of the Madras Government, Financial Department,
29th August 1862.*

No. 100. Read the following letter from H. A. MANGLES, Esq., Acting Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 15th August 1862, No. 163.

Bond Department.

I have the honor to submit a list of Tanjore Bonds remaining unclaimed in this Office from the date of issue.

2. These Tanjore Bonds were issued in satisfaction of certain awards granted by the late Tanjore Commissioners in England, and are dated so far back as between 7th October 1831 and 28th March 1840. The Bond No. 159 for Rupees 68,353-6-2, in favor of Peter Cator, Esq., of Madras as Receiver to the Estate of the late Patcheapah Moodelly was the only one of those enumerated in the annexed list towards the recovery of which an attempt was made in 1848, this transaction formed the subject of a letter from this Office to Government, dated 12th September 1848, No. 163.

3. As nearly the whole of the Promissory Notes of the Tanjore debt have been discharged under the Notification of the Government of India, dated the 18th December 1858, I beg to be favored with the Orders of Government relative to the disposal of these unclaimed Bonds, and as there is no likelihood of their ever being claimed, owing to the length of time that has elapsed since their date of issue, I would suggest that the Notes in question may be cancelled and the amount credited to Government.
