*Proceedings of the Madras Government, Financial Department,
30th August 1862.*

No. 103. Proceedings of Government, dated 30th August 1862, No. 641.

Adverting to paragraphs 42 and 43 of the letter from the Secretary to the Government of India, Financial Department, dated the 21st June last, No. 4,089, a copy of which was furnished to the Civil Paymaster and to the Deputy Auditor and Accountant General with the Order of the 19th ultimo, No. 530, whereby the Civil Paymaster is required to submit to the Supreme Government a monthly Return of all alterations in salaries, establishments and contingencies, and fresh charges on the same account sanctioned by the Madras Government, which may be met from the Budget grants, it appears to the Government it would save much time and labor if a Return of all such alterations and charges were in the first instance prepared by the Civil Paymaster and forwarded to the Government Office *in manuscript*, without the two additional columns of remarks. The Return could then be verified and embodied in the Statement to be transmitted by the Government and printed in the Gazette Press, such number of copies as may be required by the Civil Paymaster being printed with the requisite additional columns, and furnished to him for transmission to the Government of India with his remarks and those of the Deputy Auditor and Accountant General. This course would seem to be the more convenient, as the Civil Paymaster is better able to give the previous scale of establishments, &c., in which alterations have been sanctioned by the Government.
